Extended Day Program
Lunch and Extra Fun at School!

Extended day is a program that allows kids to have more time at school to grow their social skills through play and experiences. This year, we are introducing this program for our afternoon students. Typically this has only been offered to our AM students but we recognize the need for our PM kids to have this opportunity, as well. The Extended Day for PM kids will meet weekly on Thursdays for the 2023-24 school year. Students will bring a packed lunch to eat at school, and then enjoy additional crafts, playtime, and social building with friends. It runs from October to May, and lasts from 11:30 – 12:25pm, at which time our staff will transition these students to their classroom for their school day.

The cost of the program is $10/day for a total of $270, paid one time or broken into 2 payments due with your October and February tuition ($140 and $130, respectively). Priority is given to our Pre-K students to get them kindergarten ready, specifically those going into full day kindergarten. Please consider your child's physical and emotional health when deciding on this longer day as it can be especially hard for younger students. This popular program has limited space. You will be notified if the program is cancelled due to lack of enrollment.

Registration forms are due by Wednesday, May 24th. We will use a lottery system for placement if we have more registrations than spots on May 24th.

You will be notified in September of your child's placement.

- ❐ *You are committing to the program for the year*. If you need to cancel your Extended Day spot for any reason, please contact the office. Your money is refunded if we can fill the spot.

Any Questions? Email the school at popkids@popkidsschool.com.

Please fill out the form below and return it by Wednesday, May 24th

Child's Name:_____

Class:_____

☐ Count me in! We would like to participate for the year (No money is due with this form).

Please note any allergies or special conditions:
