

Website URL: <https://instantalert.honeywell.com>

**Register and create your account**

1. Go to the Honeywell Instant Alert for Schools website listed above.
2. Click on 'Parent' in the New User box. If completing on a cell phone, select "view full site".
3. Complete the student information form. POP Kids has already entered basic information so double check or change if needed. Click 'Submit.'
4. Complete the corresponding screen. Click 'Submit.'
5. After receiving the Confirmation message, click 'Proceed' to get started with Instant Alert.
6. Note: Remember your Login Name and Password so you may use it to update your profile.

**View and check details about yourself and your family members**

1. Upon successful login, click on 'My Family.'
2. Click on a parent name to view and edit parent details. Note: The primary/home phone has to remain the same for both parents. If they want to add cell phone numbers, you need to add them under each name, save it, and go to the 'Alert Setup' tab to make alert selections for each devices.
3. Click on a student name to view details about your children enrolled in this school.

**Configure alert settings for yourself**

1. Click on 'Alert Setup.'
2. Click on the check boxes to select which alert type you would like to have sent to which device. Click on 'Save' when complete.
3. If you would like to add another contact device, select the device type and enter the device details. Select the person to whom the device belongs and click on 'Add.'
4. You are also able to set the days and times you would like your phones to receive alerts. For example, if you want your work phone to receive alerts only during the workdays, you could set the weekday start time to 8:00am and the weekday end time to 5:00pm and then uncheck the weekend box. Or, if you did not want your cell phone to receive alerts while you were sleeping, you could set the weekday start time to 6:00am and the weekday end time to 10:00pm and the weekend start time to 8:00am and the weekend end time to 11:00pm. You have the flexibility and control to set up your phones in many different ways.
5. For e-mail, text messaging and pagers you may send yourself a test message. Click on 'Send Test Message' to send yourself a message.

**Additional Functions**

View History of Alerts Click on 'Alert History' to view Alerts that have been sent to you. Use the calendar icons and 'Alert Type' list to filter the Alerts.
